

2018 RACE SERIES

Re-Enacting the Ancient Wrecking Tradition of Key West... a Series of Ruthless One-Way Races to the Reef to Claim the Booty!

This all-in-fun race series recalls the tradition of the "wreckers" in the Key West of the 1800's. Vessels laden with rich cargoes from Gulf and Caribbean ports often became victims of storm and the unmarked reefs off Key West.

The first wrecker to reach the site had the responsibility to save the passengers and crew -- but they also won the right to salvage the cargoes. Some historians have written that it was not unusual for 20 or 30 boats to race to a wreck. "Wreck Ashore!!"
